

HREC template for a consent form for research participants

INFORMED CONSENT FORM FOR RESEARCH PARTICIPANTS

The informed consent is embedded in the online survey after the information sheet.

Name of the project: Climate Policy and Just Transition: A Comparative Study of Worker Support (JUST-CLIP)

Principal Investigator of the project (name and surname):

- Rens Chazottes, Ecole Polytechnique Fédérale de Lausanne, rens.chazottes@epfl.ch, +33 6 95 23 95 53
- Robin Huguenot-Noël, Freie Universität Berlin, robin.huguenot-noel@fu-berlin.de, +49 176 578 361 70

Thank you for your interest in this research project.

Participant's declaration:

- I declare that I have been informed in writing by the Principal Investigator about the objectives and the course of the project, as well as the presumed effects, advantages, possible disadvantages and possible risks.
- I have received sufficient information about this research project and I understand my role in it. The purpose of my participation in this project and the future processing of my personal data have been fully explained to me.
- I am taking part in this study, led by Rens Chazottes and Robin Huguenot-Noël, voluntarily and accept the contents of the information sheet I have been given about the above-mentioned project. I have had sufficient time to make my decision.
- I understand that I have the right to refuse to answer questions. I understand that I have the full right to withdraw my consent and stop the survey at any time.
- I understand that my personal data or samples are protected and will only be used in an encrypted / anonymized manner.
- I can revoke my consent to participate in the study at any time and without having to justify myself, without any adverse effects and I have been duly informed of my rights to use my personal data.
- I understand that I have the right to request deletion of data collected prior to withdrawal, provided that it is not yet anonymised and that it is technically possible to identify my responses to the survey.
- I understand that the researchers will not identify me by name or function in any results using information obtained from this survey and that my identity as a participant in this study remains protected by confidentiality.
- I consent to my email address being used by the research team and the university to exchange information about the workshop, my participation in the survey and to send the link to participate in the follow-up survey.

I have carefully read and understood the information in this form, and all my questions have been answered. I voluntarily agree to participate in this study.

- Yes

- No
